**Samet Fix, Samet,
Samet High, Samet Low.**

(I) Samet è un universo di modi di vivere il living: dal divano componibile senza regole, che pone l'uomo come soggetto attivo nella composizione del proprio spazio, a una più classica versione fissa e lineare, pensata per arredare ogni zona relax. L'ispirazione viene dall'Oriente, da un immaginario thailandese fatto di sedute accoglienti e ospitali. I divani Samet coniugano l'eleganza dei materiali con la maestria manifatturiera: nella versione modulare, i pezzi si accostano l'uno all'altro in geometrie regolari e morbide, un progetto dinamico per creare molteplici tipologie di sedute più o meno informali. La versione Samet Fix è più essenziale, fedele alla tradizione, ed esalta l'eccellenza artigianale e la capacità industriale Gervasoni, mantenendo l'attenzione ai dettagli che caratterizza l'intera collezione. Impunture e matelassé arricchiscono una semplice modulistica che crea infinite composizioni con un'estetica oltre il tempo, dal sofà classico a quello più poliedrico.

(E) Samet is a universe of ways to experience the living room: from the modular sofa without rules, a multifunctional and modular product that places man as an active subject in composing his own space, encouraging him to experiment with new forms of use, to a more classic fixed and linear version designed to furnish any relaxation area. The inspiration comes from the East, from a Thai imaginary world made of cozy and comfortable seating. Samet sofas combine the elegance of materials with masterful craftsmanship: in the modular version, cozy and comfortable seats are combined with each other in regular and soft geometries, a dynamic design to create multiple types of elegant or informal seating at the same time. The Samet Fix version is more essential, faithful to tradition, and enhances Gervasoni's craftsmanship and industrial expertise while maintaining the attention to detail that characterizes the entire collection. Stitching and matelassé enrich a simple modular system that creates ever-new compositions with a timeless aesthetic, from the most classic sofa to the most eclectic.

(F) Samet est un univers de façons de vivre le salon: du canapé modulaire sans règles, un produit multifonctionnel et configurable qui place la personne en tant que sujet actif dans la composition de son propre espace, en l'encourageant à expérimenter de nouvelles formes d'utilisation, à une version plus classique, fixe et linéaire, conçue pour aménager chaque espace détente. L'inspiration vient de l'Orient, d'un imaginaire thaïlandais fait de sièges confortables et accueillants. Les canapés Samet allient l'élégance des matériaux au savoir-faire artisanal: dans la version modulaire, des sièges confortables et accueillants sont juxtaposés les uns aux autres dans des géométries régulières et douces, un design dynamique permettant de créer de multiples types de sièges plus ou moins informels. La version Samet Fix est plus essentielle, fidèle à la tradition, et met en valeur l'excellence artisanale et la capacité industrielle de Gervasoni, tout en conservant l'attention aux détails qui caractérise l'ensemble de la collection. Piqûres et éléments matelassés enrichissent une modularité simple qui crée des compositions infinies à l'esthétique intemporelle, du canapé le plus classique au plus multiforme.

(D) Samet ist ein Universum an Möglichkeiten, das Wohnzimmer zu erleben: vom modularen Sofa ohne Regeln, einem multifunktionalen und konfigurierbaren Produkt, das den Menschen als aktives Subjekt in die Gestaltung seines eigenen Raums einbezieht und ihn ermutigt, neue Nutzungsformen zu experimentieren, bis hin zu einer klassischeren, festen und linearen Version, die dazu entworfen wurde, jeden Spannungsbereich einzurichten. Die Inspiration kommt aus dem Osten, aus einer thailändischen Vorstellung von gemütlichen und einladenden Sitzmöbeln. Die Samet-Sofas vereinen die Eleganz der Materialien mit meisterhafter Handwerkskunst: In der modularen Version werden gemütliche und einladende Sitzelemente in regelmäßigen und weichen Geometrien aneinandergereiht – ein dynamisches Design, das zahlreiche Sitzmöglichkeiten bietet, von elegant bis informell. Die Version Samet Fix ist schlichter, bleibt der Tradition treu und hebt die handwerkliche Exzellenz und industrielle Kompetenz von Gervasoni hervor, während sie die Liebe zum Detail beibehält, die die gesamte Kollektion auszeichnet. Nähte und Steppauflagen bereichern eine einfache Modularität, die unendliche Kompositionen mit einer zeitlosen Ästhetik schafft, vom klassischsten Sofa bis zum Allrounder Teil.

Sezione Samet Fix / Samet Fix Section

Struttura / Structure / Structure / Gestell

Struttura in legno multistrato con cinghie elastiche preparata con poliuretano espanso a quote differenziate, localizzate, ad alta densità. Topper fisso in poliuretano espanso. Rivestimento della struttura e del topper in fibra termolegata traspirante accoppiata alla fodera amovibile in tessuto tramite trapuntatura. Piedi in polietilene ad alta resistenza, colore nero.

Structure in plywood, with elastic belts, upholstered with high resilience, variable-density polyurethane foam. Polyurethane foam topper. Structure and topper covered with breathable heat-bonded fiber bonded to the removable fabric cover by quilting. Feet in high resistance black polyethylene.

Structure en bois multiplis avec des sangles élastiques, rembourrage en polyuréthane expansé à densité différenciée haute résilience. Surmatelas fixe en polyuréthane expansé. Revêtement de la structure et du surmatelas en fibre thermocollée respirante liée à la housse amovible en tissu matelassé. Pieds en polyéthylène haute résistance, couleur noire.

Gestell aus Sperrholz, mit elastischen Riemen, Polsterung aus PU-Schaum mit differenzierter, hoher Dichte. Fest verbundener Topper aus PU-Schaum. Weißpolsterbezug mit atmungsaktiver thermogebundener Faser gesteppt zusammen mit der abnehmbaren Husse aus Stoff. Schwarze Füße aus widerstandsfähigem Polyethylen.

Sfoderabilità / Removable covers / Housses amovibles / Abnehmbare Bezüge:

I cuscini e la struttura sono facilmente sfoderabili a garanzia di una facile e frequente pulizia del rivestimento.

Les coussins et la structure sont facilement déhoussables, garantissant un nettoyage facile et fréquent du revêtement.

The cushions and frame covers can be easily removed, ensuring easy and frequent cleaning of the upholstery.

Die Kissen und der Bezug des Gestells sind leicht abziehbar, um eine einfache und häufige Reinigung des Bezugs zu gewährleisten.

 Grande Bouclé Limoges - D															

Sezione Samet High / Samet High Section

Struttura / Structure
/ Structure / Gestell

Struttura in legno multistrato con cinghie elastiche preparata con poliuretano espanso a quote differenziate, localizzate, ad alta densità. Topper fisso in poliuretano espanso. Rivestimento della struttura e del topper in fibra termolegata traspirante accoppiata alla fodera amovibile in tessuto tramite trapuntatura. Piedi in polietilene ad alta resistenza, colore nero.

Structure in plywood, with elastic belts, upholstered with high resilience, variable-density polyurethane foam. Polyurethane foam topper. Structure and topper covered with breathable heat-bonded fiber bonded to the removable fabric cover by quilting. Feet in high resistance black polyethylene.

Structure en bois multiplis avec des sangles élastiques, rembourrage en polyuréthane expansé à densité différenciée haute résilience. Surmatelas fixe en polyuréthane expansé. Revêtement de la structure et du surmatelas en fibre thermocollée respirante liée à la housse amovible en tissu matelassé. Pieds en polyéthylène haute résistance, couleur noire.

Gestell aus Sperrholz, mit elastischen Riemen, Polsterung aus PU-Schaum mit differenzierter, hoher Dichte. Fest verbundener Topper aus PU-Schaum. Weißpolsterbezug mit atmungsaktiver thermogebundener Faser gesteppt zusammen mit der abnehmbaren Husse aus Stoff. Schwarze Füße aus widerstandsfähigem Polyethylen.

Sfoderabilità / Removable covers
Housses amovibles / Abnehmbare Bezüge:

Cuscini / Cushions
/ Coussins / Kissen

I cuscini di schienale sono realizzati in fibra di poliestere di alta qualità che assicura il ripristino della forma originaria del cuscino dopo l'uso. Fodera in tessuto e fibra, trapuntate sul lato anteriore. Cuscini volanti con imbottitura in misto piuma.

Back cushions are made of high-quality polyester fiber, which ensures that the original shape of the pillow is restored after use. Fabric and fiber cover, quilted on the front side. Loose cushions with dacron and down filling.

Les coussins de dossier sont réalisés en fibres de polyester de haute qualité, ce qui permet de retrouver la forme originale du coussin après utilisation. Housse en tissu et en fibres, matelassée sur le devant. Coussins déco avec rembourrage en dacron et plumes.

Die Rückenkissen sind aus hochwertigen Polyesterfasern, die dafür sorgen, dass das Kissen nach dem Gebrauch seine ursprüngliche Form wieder erhält. Kissenbezug aus Stoff und Fasern, auf der Vorderseite gesteppt. Lose Kissen mit Polsterung aus Dacron und Daunen.

Ogni modulo è facilmente sfoderabile a garanzia di una facile e frequente pulizia del rivestimento.

Chaque élément est entièrement et facilement déhoussable permettant un nettoyage aisé et fréquent des housses.

Each module is completely and easily removableto guarantee easy and frequent cleaning of the cover.

Alle Elemente sind komplett abziehbar, was eine einfache und häufige Reinigung der Bezüge garantiert.

(I) Il fissaggio dei moduli avviene tramite staffe in metallo ad incastro che consentono un pratico e stabile collegamento tra sedute, schienali e braccioli. Tutte le configurazioni sono modificabili grazie al semplice sistema di aggancio che permette lo spostamento o l'aggiunta di ulteriori moduli. (E) The modules are fastened by means of interlocking metal brackets that provide a convenient and stable connection between seats, backs and armrests. All configurations are customisable thanks to the simple fastening system that allows further modules to be moved or added.	(F) Les éléments sont fixés à l'aide de supports métalliques qui s'emboîtent les uns dans les autres et permettent une connexion pratique et stable entre les sièges, les dossiers et les accoudoirs. Toutes les configurations sont modifiables grâce au système de fixation simple qui permet de déplacer ou d'ajouter des modules supplémentaires. (D) Die Elemente werden mit Hilfe von ineinandergreifenden Metallbügeln zusammenbefestigt, die eine praktische und stabile Verbindung zwischen Sitz, Rücken- und Armlehnen ermöglichen. Dank des einfachen Befestigungssystems, das das Verschieben oder Hinzufügen weiterer Module ermöglicht, können alle Konfigurationen individuell verändert werden.
--	---

Staffe corte per l'aggancio tra i moduli di seduta.
/ Short connectors between seat modules.

A	B	C	

Staffe lunghe per l'aggancio tra i moduli di seduta e di schienale/bracciolo.
/ Long connectors between seat and back/armrest modules.
